## PROFILE

A highly motivated person seeking an entry-level position as a MERN Stack Developer. Eager to apply my skills in programming, problem-solving, and collaboration to contribute to innovative Web sites. I may have a non technical computer science background but my goal is to gain experience in the fields of computer engineering and learn new things and make use of it.

## EMPLOYMENT HISTORY

Web Developer, Nextskill Technologies Pvt Ltd M Coimbatore

- Developed responsive and interactive user interfaces using React.js and modern front-end libraries
- Implemented reusable UI components and ensured consistent styling across the application.
- Developed a RESTful API that integrated with a third-party service, allowing for seamless data synchronization and improved performance
